

## STEWARDSHIP 2010

We're off to a good start! We have 63 pledgers out of a possible 200. We have pledges totaling \$121,300 towards our goal of \$200,000. Pledges are up 10% over last year! Our goal this year is 100% participation. We still need pledge cards from 71% of our parish. Please remember no amount is too small and no amount is too large. What's important is that you pledge. A committee will begin contacting those individuals who haven't filled out their pledge card very soon. Please help us reach our budget. Together we can accomplish great things to benefit our beloved Saint Nicholas!
