New Website Name - Website Updates

Please make sure to visit our new website (www.stnicholaswilmington.org or just stnicholaswilmington.org) to find information about our Parish life. More specifically, the Stewardship page has now been updated with status information. You can find links on the left side of the home page to upcoming events like the OXI Day celebration, the Philoptochos Bake Sale/Cookbook order form as well as an updated flyer for the New Year's Eve dance with live music band and new pricing information. In addition, please do not forget to check our online parish calendar that lists all the events up to date. As usual, you can browse our monthly newsletter in a convenient manner on line and access our weekly email bulletin with important liturgical information along with weekly news and updates. Moreover, the Religious Education section has information about our patron saint St. Nicholas and our Sunday Church School including the registration form. The Hellenic Studies & Culture section also includes preliminary information about our Hellenic (Greek) School with a link to the respective registration form. Finally, please be reminded that our old name, www.stnicholaswilmington.com or just stnicholaswilmington.com, will be phased out since it will be expiring in December of this year. For this purpose, it has now been configured to display a redirecting page that informs visitors about our new name. Hopefully, you will find all the above information very interesting and useful and please stay tuned for more updates coming soon.
